ID	Task Name	Duration	Predecessors
1	**Integrated System Implementation**	**23 days**	
2	Prepare for plant review	1 day	
3	Kick-Off Meeting (onsite and Call)	0.5 days	2
4	Plant Review (onsite)	0.5 days	3
5	**Site Preparation**	**4 days**	
6	**Pre-site Checklist**	**4 days**	
7	**Monarch Web Server Requirements**	**1 day**	
8	Installed on a Web Server	1 day	4
9	Server Assigned Static IP Address. The address must be an internet facing address	1 day	4
10	Server Assigned Static IP Address. This address is an internal address	1 day	4
11	Internet Information Server (IIS) Version 6.0 or greater is installed and operational	1 day	4
12	.NET Framework Version 4 is installed	1 day	4
13	Server Ram Minimum of 1GB	1 day	4
14	Server Available Disk Space Minimum of 1GB	1 day	4
15	Server OS	1 day	4
16	Progress ODBC Driver OpenEdge 10.2B driver is installed	1 day	4
17	**PrintNet Integrator Requirements**	**1 day**	
18	Dedicated server/ workstation required	1 day	16
19	Server/Workstation Ram Minimum of 256MB (512 recommended)	1 day	16
20	Server/Workstation Available Disk Space Minimum of 200MB	1 day	16
21	Server/Workstation OS	1 day	16
22	Server/Workstation Assigned Static IP Address. The address must be an internet facing address that allows in bound traffic on port 10443(HTTPS)	1 day	16
23	Access to Port #10443 (Https) Opened in Firewall	1 day	16
24	**Network (Client Browsers)**	**1 day**	
25	Sales Agents updated to Internet Explorer 8.0 or higher for PC and Mac	1 day	23
26	Internal Staff updated to Internet Explorer 8.0 or higher	1 day	23
27	Adobe Acrobat Reader 7.0 or higher required	1 day	23
28	Slowest link in the connection between the Integrated Systeml and MIS Server	1 day	23
29	Network Port available on a Hub or Switch for Integrated System	1 day	23
30	**Network (Client Browsers)**	**1 day**	
31	Average Connection Speed of your users to Integrated System	1 day	29
32	Average Connection Speed of your internal staff to Integrated System	1 day	28
33	Document Completed and submitted to Providor	1 day	29
34	Remote Connection Test	0.5 days	33
35	**Training Preparation**	**6.5 days**	
36	Current process flow charts for request for quotes and estimating job and inventory processing	2 days	4
37	Current request for quote forms	2 days	4
38	Information on changes desired in designing your new forms	2 days	4
